

Sex U Carl Henry

From the very first time, I've been thinking about you
Don't know what it's all about, but you got me open wide
Girl I know you don't want no one night affair
I don't wanna be just another guy
Who's messing with your mind and wasting all your time
I don't mean to be pushy, no disrespect
I just wanna know one simple thing
Can we both get wet tonight

CHORUS

MALE: If you're wondering how it's gonna be
 After we make love in between the sheets
 I know that it seems kind of fast
 But I wanna know
 Can I sex you tonight

FEMALE: If you're wondering how it's gonna be
 After we make love, you'll just have to wait and see
 I know that it seems kind of cold
 Cannot sex you tonight

When I close my eyes your face I see
Your head on my pillow, your arms around me
Girl you can't deny cause I know you wanted me
Girl we'll never stop till the cops come knocking
Till the break of dawn no we can't go wrong
Don't means to be pushy, no disrespect
I just wanna know one simple thing
Can we both get wet tonight

BRIDGE:

Ooh girl you know what I want is your body
I wanna see what you've got for me oh baby
The time has come for you to show it to somebody
I know you'd like it if I took you home tonight
